The **WILDPEAK H/T** offers a combination of superb dry handling and responsive wet braking on all roadway surfaces. With its non-directional tread pattern Falken has optimized traction and control, through the combination of a high tension casing ply and stiff wide steel belts, the WildPeak H/T provides stability and comfort for pick-up trucks and SUVs alike whatever the season. With excellent value from its high mileage tread, and optimal ride comfort the WildPeak H/T leaves the competition in the dust.
